Additional Supplies, Tools, Adhesives & Ink:

Paper trimmer, scissors, ruler, scoring board/tool, bone folder, 1½" circle punch, corner rounder, pencil, liquid adhesive, double-sided tape, dimensional foam adhesive

Notes:

- Measurements are width x height unless specified.
- Ink paper edges before adhering if desired.
- Use strong liquid adhesive (such as #E6000) when adhering metal embellishments.

Card #1

1. Trim the *Tender Missives* paper to measure 4"x 5¼" and another piece to 2⅝" x 4⅜".

2. Place your paper in your scoreboard with the long side across the top and score at ½" inch. Fold on the score-line and add adhesive to the ½" tab.

3. Trim out the cut apart element from the *Devoted* paper to 2⅝" x 3⅞" and adhere this to the ½" tab creating a flip up element.

4. Fussy cut the poem from the *Devoted* paper and attach it to the inside of the flip up element.

5. Fussy cut five stamps from a *Tender Missives* paper, add foam adhesive along the bottom section only creating a tuck spot for the flip up element.

6. Adhere the 4" x 5¼" paper to the front of the card base. Adhere the stamp strip approximately ¼" from the bottom. Adhere the flip up element to the front allowing for a small section to tuck behind the stamps.

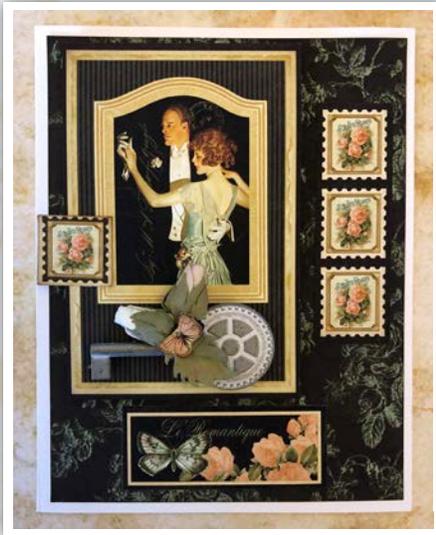

7. Decorate with flowers, leaves, stamps, and a fussy cut butterfly as shown. Add stamps to the inside if desired.

Card #2 (Shown on page 2)

1. Trim the *Daydreams* paper to 4" x 5¼" and adhere to the front of the card base.

2. Create a flip up element as before by trimming a *Celebration* paper to 2⅝" x 4½".

3. Place your paper in your scoreboard with the long side across the top and score at ½", fold on the score-line and add adhesive to the tab.

4. Trim the dancing cut-apart from *Devoted* to 2⅝" x 4" and adhere this element to the ½" tab creating the flip up.

Le Romantique — Interactive Front-Flip Cards

5. Adhere the flip up element to the left hand side of the front of the card using foam adhesive. Attach a fussy cut stamp to the left of the flip up front to act as a tab.

6. Fussy cut three stamps from a *Le' Romantique* page and adhere these to the right side of the flip up.

7. Add the Butterfly element from the *Sweetheart of Mine* paper centered along the bottom of the card front and the girl element centered on the inside of the flip up.

8. Add roses, a fussy cut butterfly and one of the clock keys to the front of the flip up mechanism. Decorate the inside if desired with more stamps from the *Le' Romantique* sheet.

Card #3

1. Trim the *Sending Flowers* paper to 5¼" x 4" and adhere to the front of the card base creating a top folding horizontal card. Trim another piece of the same paper to 4½" x 3¼" and 2¼" x 2¼".

2. Create the flip up mechanism by trimming the *Love Labyrinth* paper to 4¼" x 3" and another piece to 4¼" x 3½"

3. Score the 4¼" x 3½" piece along the 3½" side at ½".

4. Fold on the score-line and add adhesive to the tab and attach this piece to the 4¼" x 3" piece creating the flip up.

5. Center the 4½" x 4¼" *Sending Flowers* to the card base front.

6. Center the flip up mechanism onto the previous paper.

7. Fussy cut large roses from the upper left side of the *Loves Labyrinth* paper.

8. Fussy cut the man and woman element from the *Sweetheart of Mine* paper and the "The key to my heart" sentiment from the *Key To My Heart* paper. Layer these elements onto the front of the flip up as shown.

9. Layer the 2¼" x 2¼" piece to the inside of the flip up as shown.

10. Attach one of the clock keys, a rose, leaves, and a stamp element to the front of the flip up.

11. Trim out 2 strips of the *Sending Flowers* paper measuring ¾" x 4¼" and ½" x 4" and attach them to the right hand side of the inside of the card along with two stamps if desired.
