- For a fun, detailed video tutorial, visit our YouTube page!
- Measurements are width x height unless specified.
- Optional: Distress paper edges with ink before adhering.
- The following instructions are for three cards. Then use the remaining supplies provided in your kit to create three additional cards by following the steps using different papers!

## Directions:

### Card #1

1. Cut a piece from *Simply The Best* (B-side) to measure  $4\frac{1}{2}$ " x  $6\frac{1}{2}$ " and adhere it to the inside of the card.

2. Layer the *Treat Yourself* 4" x 6" Journal card onto the yellow dot having the B-side of the journal card face up.

3. Fussy cut the *Treat Yourself* ticket from the 4" x 6" Journal card and the two clusters of flowers. Add the ticket to the upper right hand corner and save the flowers for the front of the card (see photo for placement).

4. Cut another piece from *Simply the Best* to measure  $4\frac{1}{2}$ " x  $6\frac{1}{2}$ " and adhere it to the front of the card using wet glue. (Double sided tape doesn't adhere to the glitter card-base.)

5. Cut a piece to measure 3" x  $7\frac{1}{2}$ " of *Le Chapeaux* (B-side) and place in your scoreboard lengthwise (A-side up) and score at  $\frac{1}{2}$ ", 1",  $1\frac{1}{2}$ " and 2". Fold gently along the score-lines and add scor-tape to the  $\frac{1}{2}$ " channels.

6. Using a 1" circle punch cut two circles from a scrap *Simply the Best* (B-side). Glue the circles together and adhere  $\frac{1}{2}$ " of the circle to the bottom of the 3" x  $7\frac{1}{2}$ " scored piece for a pull tab. (The waterfall mechanism works best if the circle is adhered on the back side.)

7. Remove the tape backing from the first channel and adhere a 3" x 4" piece of *Ephemera Queen* (B-side). Add one of the flower clusters to the bottom right hand corner. (See photo Step 7)

8. Remove the next piece of tape backing and adhere a 3" x 4" piece of *Simply the Best* (B-side). Adhere the pearl border strip to the top of this piece as shown in the photos.

9. Remove the next piece of tape backing and adhere another 3" x 4" piece from *Ephemera Queen* (B-side). Add the remaining floral cluster to the bottom left hand corner.

10. Remove the tape backing from the last piece of tape and adhere the 3" x 4" "If the Shoe Fits" journal card.

11. Cut a piece of *Le Chapeaux* (B-side) to measure  $4\frac{1}{2}$ " x  $\frac{3}{4}$ ". Cut a piece of *Simply the Best* (B-side) to measure  $4\frac{1}{2}$ " x 1" and adhere these two together.

12. Add scor-tape to both short sides of this strip. Remove the tape backing and adhere this strip approximately  $1\frac{1}{2}$ " up from the bottom edge of the card.

13. Slide the waterfall panel underneath the band. Add a  $2\frac{1}{2}$ " piece of scor-tape to the top of the center of the band. Remove the tape backing and secure the waterfall panel down. (This is the only adhesive that is keeping the waterfall panel secure so you need to use a strong adhesive.)

14. Adhere gold pearl gems as shown.

Note: An additional detail photo is shown on pg 3.

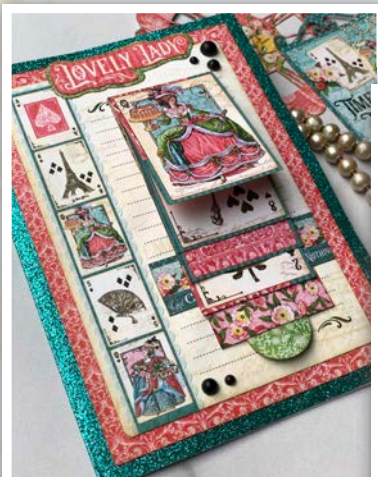

### Card #2

1. Cut a piece to measure  $4\frac{1}{2}$ " x  $6\frac{1}{2}$ " from the (B-side) of *Treat Yourself* and adhere it to the inside of the card. Layer the Time Travelers 4" x 6" journal card onto the paper with the back side facing up. Trim a piece of *Treat Yourself* to measure  $4\frac{1}{2}$ " x  $\frac{3}{8}$ " and adhere it to the center of the journal card. Fussy cut the small Queen of Hearts card from *Oh Happy Day* and add it to the upper right hand corner. (See photo for placement)

2. Cut a piece of *Ephemera Queen* (B-side) to measure  $4\frac{1}{2}$ " x  $6\frac{1}{2}$ " and add it to the front of the card with wet glue. Layer the 4" x 6" "Life is Nothing but Passion" journal card with the (B-side) facing up.

3. Cut a piece of *Treat Yourself* to measure  $1\frac{7}{8}$ " x  $6\frac{1}{2}$ " and place this into your scoreboard with the  $6\frac{1}{2}$ " across the top and score at  $\frac{1}{2}$ ", 1",  $1\frac{1}{2}$ ", and 2". Fold on the score-lines and add score tape to the  $\frac{1}{2}$ " channels as in Card #1. Trim out four of the cards from *Winning Hand* to measure  $1\frac{7}{8}$ " x  $2\frac{1}{2}$ ". Add these panels to the waterfall base as in Card #1 step 7 (the panels are added in reverse order). Cut out two circles from a scrap of *Treat Yourself* (B-side) and adhere to the bottom of the waterfall mechanism creating a pull tab as in Card #1 (add the circle to the back).

4. Trim the floral border strip from *Oh Happy Day* to measure  $2\frac{3}{4}$ ". Add scor-tape to the two short sides only and add to the front of the card. (Use the fifth line from the bottom as a guide for the border strip.) Slip the waterfall panel underneath the border strip. Add a  $1\frac{1}{2}$ " piece of scor-tape to the top of the border strip and secure the waterfall panel in place. Add the black pearl gems as shown. Fussy cut the words "Lovely Lady" from the 3" x 4" journal card and adhere it to a scrap of *Treat Yourself* (B-side) and fussy cut it out again leaving a small green border. Adhere this to the top.

Card #3

1. Cut two pieces of *String of Pearls* (B-side) to measure  $6\frac{1}{2}$ " x  $4\frac{1}{2}$ ". Add one piece to the inside and one to the front of the card. (This is a landscape style card.) Add the "Dreaming is Doing" 4" x 6" journal card with the (B-side) up to the inside of the card. Trim out the small Ace of hearts from *Oh Happy Day* and adhere it to the upper right hand corner.

2. Cut a piece from *Simply the Best* (B-side) to measure 6" x  $3\frac{1}{2}$ " and adhere it to the front of the card.

3. Create the waterfall mechanism as in Card #1. Cut a piece to measure  $7\frac{1}{2}$ " x 3" of *If the Shoe Fits* (B-side). Place this in your scoreboard with the  $7\frac{1}{2}$ " across the top and score at  $\frac{1}{2}$ ", 1",  $1\frac{1}{2}$ " and 2". Fold on the score-lines and add score tape to the  $\frac{1}{2}$ " channels. Cut two pieces from *String of Pearls* to measure 4" x 3". You will use the front for one panel and the (B-side) for the other panel. The other two remaining panels are 3" x 4" journal cards. Add the panels as before in Card #1 Step 7. Cut out two 1" circles from scraps of *String of Pearls* to create the pull tab and adhere it onto the bottom edge as in Card #1.

4. Fussy cut the "fan" from backside of the 3" x 4" Lucky Lady journal card and adhere it to the back of the 4" x 3" *String of Pearls* panel. Trim out the Queen of Hearts from the *Winning Hand* paper and adhere it to the left side of the back of the *String of Pearls* panel. Trim out the pink pearl border strip to measure 4" and add it to the second panel, *String of Pearls* (B-side).

5. Trim a 1" x  $4\frac{1}{2}$ " strip from *String of Pearls* and create the waterfall band as before. Add scor-tape to the back side along the two short edges. Adhere this to the front of the card approximately 1" from the right side of the design paper. Slide the waterfall panel underneath the band, add score tape and secure the panel in place. Adhere pearls and the small label as shown.
