3. Flip over the album. Cut two 5" x 7 1/4" pieces of *Guiding Light*. From *Let's Go Fishing*, cut two "Seas the Day" borders and two "Sail Away With Me" borders at 5" x 7/8" each.

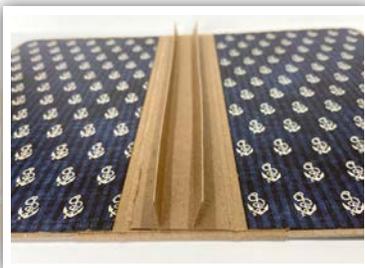

From the Patterns & Solids (referred to going forward as P&S) cut a 1 3/8" x 9" piece of the *Dark Blue Compass Collage*. Adhere all papers to album covers and spine as shown.

4. Cut a 3 1/2" x 9" piece of kraft card-stock to form your hinge. Score at 1/2" increments, then fold to make two peaks, as shown. Adhere each of the peaks closed.

5. Cut two 5" x 9" pieces of *Smooth Sailing* (B-side), round outer two corners and adhere, leaving the inside 1/2" area free of adhesive for now, as indicated.

6. Check the hinge first for placement inside the spine. Trim if it appears to go past the inner scored spaces. Place strong adhesive on the back of the hinge and adhere in place.

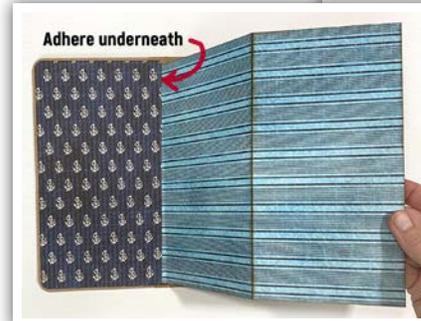

7. Cut a 3 1/2" square from the *Orange Striped* P&S, then trace the chipboard circle onto it. From *Seas The Sunshine*, cut apart the "Skilled Sailor" cut-apart 3 1/2" x 5 1/4". Locate the compass and clock pieces from the ephemera assortment pack.

8. Adhere the paper circle to the chipboard one, then layer on the clock and compass ephemera. Adhere the chipboard pennants to the back of each of the four ephemera pennants.

9. From the solid side of the *Dark Blue Compass Collage* P&S, cut a 3 3/4" x 5 1/2" piece to layer behind the cut-apart from Step 8. Adhere the elements to the album's front cover as shown. Tie two 10" lengths of twine into a bow (make two) and adhere to each end of the pennant string.

10. Cut a 9 3/8" x 8 3/4" piece from the *Light Blue Striped* P&S (shown) and the *Orange Nautical Collage* P&S. Score the blue stripe face down in score-board across

the long edge at 4 3/8" and 8 7/8". Adhere the 1/2" scored area underneath the inside front cover paper. Score the orange collage face down at 1/2" and 5". Set aside.

11. Fold open. Cut a 4 1/4" x 6" and a 4 1/8" x 6" piece of *Dark Blue Striped P&S* and adhere toward the top, as shown.

12. To create pockets, cut the *Orange Striped P&S*, *Light Blue Nautical Collage P&S* and *Guiding Light* at 5 3/4" x 4" then score 1/2" all the way around each.

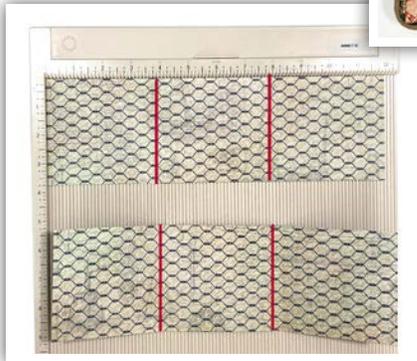

13. Do the same to all three pieces from Step 12: Apply adhesive tape to sides and bottom then trim corners at an angle.

14. Flip each over and apply adhesive tape to the top fold, then trim away two corners at a slight angle. Peel and stick down.

15. Punch a partial circle from the folded top of each piece, then fold in the sides and bottom, as shown.

16. Position each pocket on the inside front cover first, then adhere them in place, overlapping as shown. Affix the sticker borders across the top and the large label sticker on the bottom pocket.

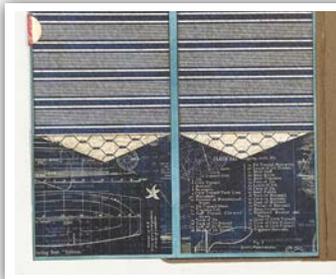

17. Cut two 12" x 3 3/4" pieces of *Anchors Aweigh* and score each at 3 7/8" and 8 1/8" as shown.

18. Trim off the corners at an angle as shown. Repeat with other piece.

Catch of the Day - Travel Folio Album & Passport Holder

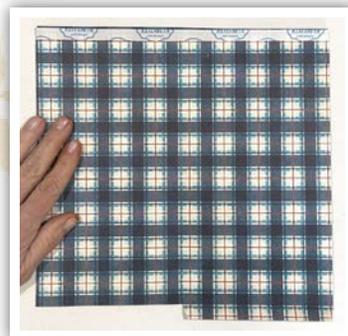

21. Fold this page closed and adhere two $4\frac{1}{2}$ " x $\frac{1}{2}$ " border strips from *Seas The Sunshine*, then add the orange border stickers. Adhere the lighthouse ephemera piece. Affix the "Let's Go On An Adventure" sticker to the solid side of a scrap of *Orange Nautical Collage* P&S (approx. $2\frac{1}{2}$ " x $1\frac{1}{2}$ "") then trim around, leaving $\frac{1}{8}$ " space. Adhere onto the page.

22. Flip the page over and adhere two $3\frac{1}{2}$ " squares of the solid side of *Orange Striped* P&S for photo mats. Affix the circle sticker to the upper right and fold around to the other side. Adhere the ephemera tag to the top left adding 10" of twine tied into a bow.

23. Cut a 10" x 10" piece of *Ship Ahoy* and score the top and bottom at $\frac{1}{2}$ ". Score at 5" and fold in half. Open out and cut away the bottom right $\frac{1}{2}$ " fold as shown. Apply adhesive tape to bottom left fold then snip a slight angle off both ends.

24. Flip the page over and apply adhesive tape across the top $\frac{1}{2}$ " fold, then peel and stick down. Fold this page closed and punch a partial circle notch off the top. Peel and stick the bottom closed.

25. Apply adhesive onto both sides of the first hinge and slide the page onto it, making sure to leave a $\frac{1}{16}$ " space between the paper and the inside spine so the page will turn easily.

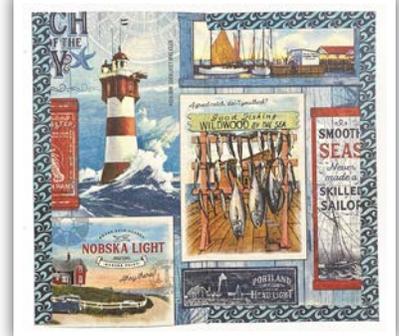

26. From the second sheet of *Smooth Sailing*, cut out the two postcards approximately 5" x 3", trim as needed to fit and adhere to page. (Tip: Place adhesive only on three sides to form additional tuck spots.) Affix the "You, Me and the Sea" sticker to the top right.

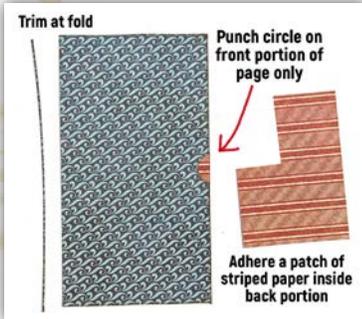

27. Cut a 11" x 10" piece of *Catch of the Day* and score at $\frac{1}{2}$ ", $5\frac{1}{2}$ " and $10\frac{1}{2}$ ". Turn the paper a quarter turn and score at $\frac{1}{2}$ " and $9\frac{1}{2}$ ". Refer to the photo: cut away the top and bottom $\frac{1}{2}$ " flaps. Trim the three $\frac{1}{2}$ " flaps at angles and place adhesive tape as indicated.

28. Peel and stick all four flaps down.

29. Fold closed so the opening is on the right. Punch a partial circle notch off the front portion of the page. Adhere a $\frac{3}{4}$ " x $1\frac{1}{2}$ " scrap of *Orange Striped* P&S into back portion of page. Now trim $\frac{1}{16}$ " off the left edge of the page to make an opening.

30. From the *Orange Striped* P&S cut $9\frac{1}{2}$ " x $4\frac{1}{2}$ " and from *Seas The Sunshine* cut $9\frac{3}{8}$ " x $3\frac{1}{4}$ ". Score each piece at $\frac{1}{2}$ " on all four sides. Apply adhesive tape to top, left and bottom of both as shown in photo as "A". Apply adhesive tape on the underside of the right flap of each, shown as "B" and adhere down. Punch a partial circle notch on each.

31. Adhere these two side-loading pockets onto the main page from Step 29 then place adhesive on the second kraft hinge and slide this unit into place. Cut two $\frac{3}{8}$ " x 2" strips from *Smooth Sailing*

and adhere into the inner spine, top and bottom.

32. Cut a $11\frac{3}{8}$ " x 8" from *Coastal Breeze* and score at $\frac{1}{2}$ ", $5\frac{1}{2}$ ", $5\frac{7}{8}$ " and $10\frac{7}{8}$ ". Turn paper and score at $\frac{1}{2}$ " and $7\frac{1}{2}$ ".

33. Apply adhesive tape to all four outside flaps, trim corners at a slight angle and adhere down. Cut an additional piece of *Coastal Breeze* $\frac{3}{8}$ " x $6\frac{7}{8}$ " and adhere down the center between score lines. Place adhesive on the back of the center scored area only and adhere into the album. (See photo, Step 35)

34. Adhere the two chipboard frames onto the *Dark Blue Compass Collage* P&S. Use a craft knife to carefully cut around the frame as well as the inside portion. (You'll want to make one continuous clean cut for the insides since you will be using them later.)

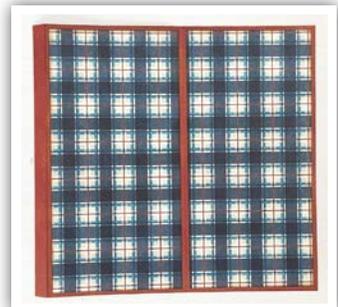

35. Trace the two blue covered frames onto the solid side of the *Orange Fish* P&S and cut out inside your traced line. Adhere the blue frame on three sides to make a top-loader

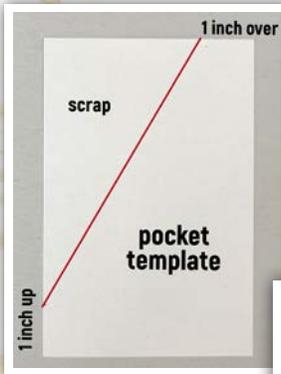

for your photos, then adhere the two units to the page as shown.

36. From the second sheet of *Ship Ahoy* cut a $4\frac{1}{4}$ " x $8\frac{1}{2}$ " and $4\frac{1}{8}$ " x $8\frac{1}{2}$ " piece. Adhere to the solid side of the *Orange* page from Step 10 with the $\frac{1}{2}$ " flap on the left.

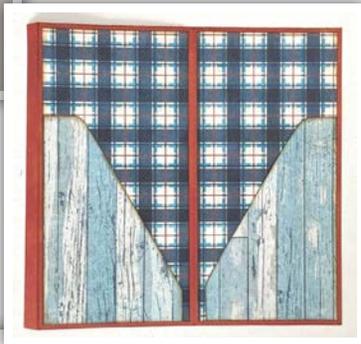

Catch of the Day - Travel Folio Album & Passport Holder

37. Create a pocket template from the cardboard paper packaging by first cutting a 4" x 6" piece. Mark the top right at 1" from right, and bottom left at 1" up and cut from point to point as shown. Round off corners as desired.

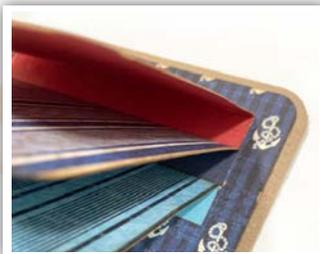

38. Trace template onto *Seas The Sunshine* twice, cut out each and adhere on two sides to form opposing pockets.

39. Place adhesive on the 1/2" flap and slide under the inside back cover paper, as shown.

40. To create a waterfall, cut three each of the *Orange*, *Light Blue*, and *Dark Blue Striped P&S* papers at 4" x 3 1/2". (Tip: Cut the papers from the same edge so the stripes line up all the way down waterfall.) Score the top edges at 1/2" and round the bottom corners.

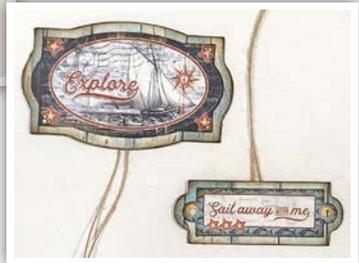

41. Place adhesive on the 1/2" flap and adhere down as shown, lining the next piece up with the previous. Continue with all pieces, alternating colors as you go.

42. This is how the waterfall should look.

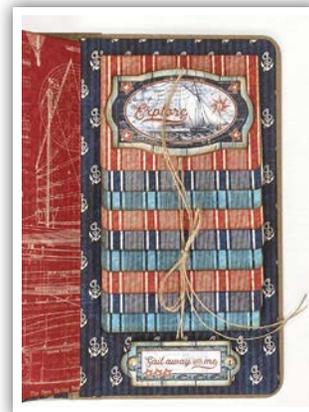

43. Adhere the two chipboard labels onto *Seas The Sunshine* and cut out.

44. Adhere the "Explore" and "Sail Away With Me" ephemera pieces. Cut a 22" length of twine, fold in half and adhere

the loop end underneath the large label, with tails coming off the bottom. Repeat with a 13" twine on the smaller label, tails coming off the top.

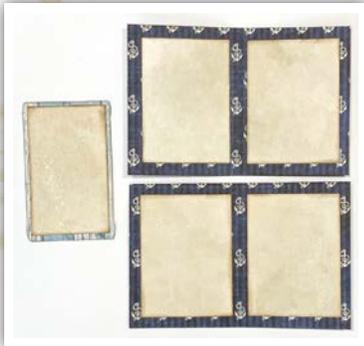

45. Adhere the large label to the top waterfall panel and the smaller label at the bottom of the page. Tie the twine together into a bow to hold down the waterfall.

Now to embellish...

46. From *Smooth Sailing*, cut the two 6" x 4" pieces shown, score and fold in half. Fussy cut the "Fresh Ocean Lobster" from *Seas The Sunshine*.

Catch of the Day - Travel Folio Album & Passport Holder

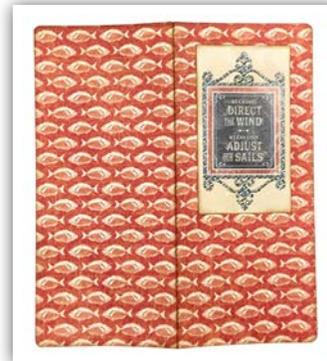

47. Flip pieces over. From the solid side of the *Orange Fish* P&S, cut four 2³/₈" x 3³/₈" pieces and adhere in place, then cut a 2" x 3¹/₂" and adhere to the fussy cut piece.

49. Locate the two short chipboard tags. Cut two 3¹/₂" x 3⁵/₈" pieces of *Orange Striped* P&S and adhere. Cut two 3¹/₂" long "Catch of the Day" border

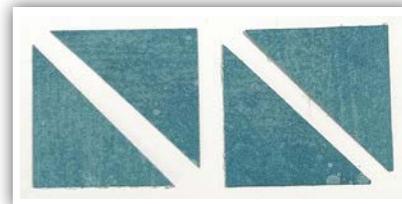

strips from *Let's Go Fishing* and adhere across the tops. Tie a 10" length of twine into a bow through the ephemera tag shown.

53. Fussy cut four postage stamps from *Let's Go Fishing* and set two aside. Cut two 3¹/₂" x 5" pieces from the solid side of *Blue Compass Collage* P&S and two 3¹/₄" x 4³/₄" from *Dark Blue Fish* P&S.

Set one of each aside. Adhere photo mats to page as shown, then two postage stamps.

57. Cut the two 6" x 4" cut-aparts from *Smooth Sailing* and two 5 3/4" x 3 3/4" pieces from the solid side of *Dark Blue Fish* P&S and adhere to the backs.

62. From *Let's Go Fishing*, cut a 9" "You, Me and the Sea" border and three 3" x 2" postcards. Adhere border to left edge of

page shown. Slice the orange compass sticker apart and affix, then adhere the postcards. On the foldout unit, adhere two ephemera tags to pockets, two orange photo corner stickers and then sandwich two light blue compass stickers on each side of the right page. Cut a 3/8" x 9" strip of *Smooth Sailing* and adhere to inner spine in between pages.

58. Locate the inner frame pieces from Step 34. Cut two 2 1/4" x 3 1/4" pieces from the solid side of *Orange Fish* P&S and adhere. Adhere the matching ephemera pieces to the top of each.

1. From the Patterns & Solids cardboard back cover, cut out the file folder template and score on the three center lines with a bone folder. (The white side will be the inside) Fold on the score lines toward the inside. Trace the template onto the *Light Blue Striped* P&S. Cut in half, then trim a scant bit off the straight edge of each

to allow for the inner fold.

2. Adhere the papers to the cardboard template, trim excess as needed, and ink edges if desired. Run your scoring tool down each of the two score lines on each side of the center fold.

3. Flip the template over and trace over the *Dark Blue Compass* collage P&S. This time cut out the whole piece and do not trim down the center. Adhere to template,

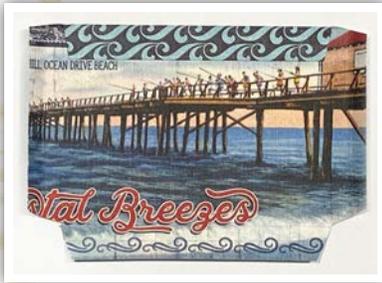

gently fold closed to allow the paper to bend around without tearing. Trim excess as needed. (Tip: if you're concerned about the paper tearing when folded, you can apply clear packing tape to the inside of the paper before adhering it.)

4. Cut a $4\frac{3}{4}$ " x $3\frac{3}{4}$ " piece from the B-side of *Catch of the Day* and score as follows, while referring to the photo: $\frac{1}{4}$ ", $\frac{1}{2}$ ", $4\frac{1}{4}$ " and $4\frac{1}{2}$ ". 5. Apply adhesive on the three $\frac{1}{4}$ " portions of the flaps as shown, then trim the corners at angles.

Catch of the Day - Travel Folio Album & Passport Holder

6. Flip the pocket over and adhere the top 1/2" flap down.

11. Starting 5/8" from the top, adhere the first orange pocket, then overlap and adhere the remaining two as shown.
