Directions:

Card #1

1. From the B-side of *Ship Ahoy* cut a piece to measure $5\frac{1}{4}'' \times 5\frac{1}{4}''$. Set this piece aside and from the remaining section cut two pieces to measure $\frac{3}{4}'' \times 3''$.

2. Score the $\frac{3}{4}'' \times 3''$ pieces along the $3''$ side at $\frac{1}{2}''$, $1'',$ and $2\frac{1}{2}''$. Fold along the score lines.

3. Fold the $4'' \times 6''$ journal card along the $6''$ side at $3''$. Fold in half. Add strong adhesive to two outside $\frac{1}{2}''$ sections and the larger $1\frac{1}{2}''$ section of the $\frac{3}{4}'' \times 3''$ strips. Note: Place the journal card in your scoreboard with the journal lines face down. (The card shown in the image is different than used).

4. Remove the tape backing from the larger section of the strips and adhere them to the folded journal card having the folded edges even and one $\frac{1}{2}$ tab at the top and the other portion at the bottom. The strips are adhered approx $\frac{1}{2}''$ in from the sides.

5. Remove the back from the $\frac{1}{2}''$ tab closest to the folded edge and line this up with the inside of the card along the fold. Centering from left to right.

6. With the remaining tabs folded flat, remove the tape backing from the remaining tabs and fold the top of the card down picking up the adhesive. Add adhesive to the bottom section of the folded journal card and adhere it down.

7. Trim out the "You, Me, and the Sea" border strip from *Let's Go Fishing* as well as the one of the stamps and one of the small post card images. Adhere the border strip to the bottom inside of the card and trim off the excess. Add the stamp to the corner as shown and the small postcard image to the upper portion of the card. See photos.

8. Adhere the $5\frac{1}{4}'' \times 5\frac{1}{4}''$ *Ship Ahoy* B-side paper that was cut in step 1 to the front of the card.

9. From the B-side of *Coastal Breeze* cut a piece to measure $5\frac{1}{4}'' \times 3\frac{1}{4}''$. Add the "Highland Light" $4'' \times 3''$ Journal card to the left hand side of the *Coastal Breeze* piece. Add foam adhesive or scrap pieces of chipboard to the back of this element and add it to the front of the card approximately $\frac{3}{4}''$ from the top. Trim out the *Sail Away with Me* border strip to measure $5\frac{1}{4}''$. Add foam adhesive to the back and add this to the bottom portion of the front of the card.
