Directions:

Card #1

1. From *Enchanting* cut a piece to measure 5½" x 4". Score this piece at 1⅞" along the 4" side. Fold along the score line. From the largest section make a ¼" pencil mark on each outside edge. Draw a line from the pencil mark to the score-line creating an angle. Do this to both sides. Add adhesive to the back and slide this piece into the envelope leaving a small border.
2. From *Elegance (b-side)* cut a piece to measure 4" x 5¼" and cut another piece to measure 3¾" x 5". Adhere the larger piece to the front of the card.
3. From *Enchanting* cut a piece to measure 2½" x 3¾". Score at 3¼". Add adhesive to the back of the ½" flap and adhere this to the top of the 3¾" x 5" piece cut in step 2 in the center. This creates the flap for the pop up element.
4. From a scrap piece of *Elegance (b-side)* cut a piece to measure ¾" x 3". Score at ½", 1", and 2½". Fold along the score lines. Trim out the Dress-form cut apart from *Irresistible*. Add adhesive to the largest scored section of the ¾" x 3" piece. Adhere this to the back of the cut apart in the center.
5. Add adhesive to the two outside ½" scored sections. Line the bottom ½" tab with the top of the top of the flap element (make sure the flap is up). See photo. Fold down the flap and pick up the adhesive from the last ½" section. .
6. Adhere this piece to the inside of the card. Trim out the floral border strip from *Delightful* to measure 3¾" and adhere it approximately ½" from the bottom of the inside piece.
7. Adhere the large die cut frame to the center of the front of the card. Add foam adhesive to the "What One Loves" center cutout with foam adhesive. Add a die cut butterfly/banner and flowers as shown in the photo. .
