Directions:

To prepare your card bases, open them up and burnish out the original score-line. Then place the card base in your scoreboard with the 10” across the top and score at 2½” and 7½”. Fold on the score lines creating a gate fold style card.

Card #1

1. From Pumpkin Patch cut a piece to measure 4¾” x 6¾” and adhere this to the back of the card. Adhere the 4” x 6” journal card to the back as shown in the photo. Add a fussy cut stamp from Abracadabra. From the leftover piece of Pumpkin Patch, use the B-side and cut it to measure 2¼” x 6¾” and adhere this to one of the front panels. From another piece of Pumpkin Patch B-side cut another 2¼” x 6¾” piece and adhere it to the remaining front card panel.

2. From Abracadabra, trim out the pumpkin border strip and cut two pieces to measure 2¼” and adhere one to the top of the left front panel and one to the bottom of the right front panel. Fussy cut a Full Moon stamp and adhere it to the upper right hand corner of the right front panel as shown.

3. From the B-side of Pumpkin Patch cut a piece to measure 4¾” x 6¾” and adhere it to the inside of the card. From the scraps of the B-side of Pumpkin Patch cut two pieces to measure 2¼” x 1¼” and adhere them along the bottom of the inside left/right panels. Cut two more pieces of the pumpkin border strip from Abracadabra to measure 2¼” and layer them onto the inside panels as shown.

4. From Hocus Pocus cut a piece to measure 3¾” x 8”. Place this in your scoreboard with the 8” across the top and score at ¼” and 7¼”. Fold along the score-lines and add adhesive to the tabs. With the top tab folded, make a pencil mark 1¼” from the fold line. (See image on following page.) Using a circle die or punch cut out a circle placing the top of the die at the pencil mark and centering it left/right. Note: Watch the direction of the paper.

5. Remove the tape backing from the top tab and adhere this to the inside of the card having the folded edge flush with the top of the card and centered.
6. Trim the “All Hallows’ Eve” cut apart from Hallows’ Eve to measure 3¼” x 4”. (Trim from both sides to ensure your sentiment is centered.) Adhere the cut apart so the sentiment is centered inside the die cut circle. Once the cut apart is adhered, remove the tape backing from the bottom of the panel and adhere it down.

7. From Pumpkin Patch cut a piece to measure 7½” x 3¼”. Place this in your scoreboard with the 7½” across the top and score at ¼” and 7”. Then place this piece into your trimmer and cut it in half at 3¼”. (This helps to keep the images right side up and the tabs in the correct place.)

8. Add score tape to the tabs of both pieces. Make a pencil mark at 1¾” from the top of the side opposite the score-line. From this pencil mark, make another mark 1½” in towards the score line. Using your ruler draw a line from the 1½” mark to each corner, cutting out a triangle. Do this to both pieces.

9. Overlap the pieces creating the “shutter” mechanism. (See photo from step 8.) Slide this mechanism underneath the die cut portion having the tabs flat and covering up the sentiment. (The score-lines should be in line with the outside edges of the center panel that has the die cut section.)

10. Remove the tape backing and fold in the gatefold panels picking up the adhesive.

11. To create the belly band closure, from Abracadabra cut another pumpkin border strip to 8”. From the B-side of Hocus Pocus cut a piece to measure 4” x 4½”. Center this piece on the front of the card and wrap the pumpkin border piece from the back to the front and glue down both ends. Make sure your belly band is not too tight.

12. Adhere the 3” x 4” journal card to the front of the belly band centering it top/bottom and left/right. Add the chipboard pieces as shown.

Card #2

1. From Full Moon cut two pieces to measure 4¾” x 6½”. Set one aside and adhere the other one to the back of the card. Layer the 4” x 6” Journal Card on top. Using the B-side of the leftover Full Moon cut two pieces to measure 2¾” x 6½”. Adhere these to the front left/right panels. Add two fussy cut stamps and adhere them to the upper left hand corner of the left front panel. See photo.

2. From another piece of Full Moon cut two pieces to measure 2⅓” x 6½” and adhere them to the inside panels. From the remaining portion use the B-side and cut a piece to measure 3⅓” x 8”. Score this piece along the 8” side at ½” and 7¾”. Fold on the score lines and add your adhesive. Die cut the circle as in Card #1 step 4. Adhere the 3” x 4” black cat journal card as your hidden image. From the B-side of Midnight Tales cut a piece to measure 7¼” x 3⅛” and create the shutter mechanism as explained in Card #1 Steps 7-10.

3. Add a fussy cut stamp to the upper left hand section of the die cut panel as shown and from the reverse side of the “Magic Spells” 3” x 4” journal card fussy cut the cat/pumpkins and adhere it to the bottom right corner.
4. To create the belly band cut a piece from the B-side of *Hocus Pocus* to measure 1” x 8”. Trim out the All Hallows’ Eve border strip and glue it onto the 1” x 8” piece. From the B-side of *Midnight Tales* cut a piece to measure 4½” x 3¼”. Create the belly band in the same manner as Card #1 Step 11-12.

Card #3

1. From *Fairy Mischief* cut two pieces to measure 4¾” x 6¾”. Adhere one piece to the back of the card. Layer the 4” x 6” journal card on top. Add a fussy cut pumpkin stamp to the journal card. From the B-side of *Magic in the Air* cut two pieces to measure 2¼” x 6¾” and adhere these to the front left/right panels.  

2. Adhere the second piece of 4¾” x 6¾” *Fairy Mischief* to the inside of the card. From the B-side of *Hocus Pocus* cut a piece to measure 3½” x 8”. Score this piece along the 8” side at ½” and 7½”. Fold on the score-lines and add your adhesive. Die cut the circle as in Card #1 step 4. Trim out the “Magic in the Air” cut apart from Hallows’ Eve to measure 3¼” x 4” to use as your hidden message. From the B-side of *Magic in the Air* cut a piece to measure 7½” x 3½”. Create the shutter mechanism as described in Card #1 Steps 7-10. Add a fussy cut stamp to the upper right corner and the floral border strip along the bottom section trimmed to 3¼”.

3. Trim out the 4” x 6” journal card along the orange border and adhere it over the 6” x 4” journal card. Using a 1” x 8” piece of scrap from the B-side of *Full Moon* create your belly band as before. Adhere a fussy cut stamp and chipboard piece as shown.

You can complete an additional three cards following the same steps using other papers from the collection!
