- For a fun, detailed video tutorial, visit our YouTube page!
- Measurements are width x height unless specified.
- The following instructions are for three cards. Use the remaining supplies provided in your kit to create three additional cards by following the steps using other papers!

1. Cut a piece from the B-side of *Purr-fect* to measure 8" x $3\frac{1}{4}$ " and cut another piece to measure $7\frac{3}{4}$ " x 3".

2. From *Cutie Pie*, cut a piece to measure 8" x $3\frac{1}{4}$ " and another one to measure $7\frac{3}{4}$ " x 3."

3. Layer the larger B-side of *Purr-fect* and the smaller piece of *Cutie Pie* together and adhere to the front of the card.

4. Layer the other two remaining pieces together and adhere them to the inside of the card. Add the single layered flower to the lower right hand side.

5. From a scrap of *Cutie Pie* B-side cut a piece to measure 3" x $1\frac{7}{8}$ " and adhere the "Hello Beautiful" chipboard tag to the top leaving an even border. Add foam adhesive to the back and set aside.

6. From the flower pack remove two large single leaves and the two larger leaf sprigs and adhere them to the front as shown. Remove the backing from the foam adhesive of the chipboard tag and adhere it to the center as shown.

7. Using a ball stylus, tweezers and a foam mat (or a mouse pad) curl the ends of the petals on the flowers. Rotate the ball stylus in the center of the flower to cup the petals up. Use your tweezers to twist the petals as desired.

Card #2

1. From the B-side of *Pawsome* cut a piece to measure 8" x 3/4" and cut another piece to measure 7 3/4" x 3". Cut the same measurements with the B-side of *Atta Boy*.

2. Layer the pieces together as in card #1 step 3. Adhere the piece that has the paw border on the inside of the card. Trim the "Love Changes Everything" element from *Hot Dawg* and add it to the inside left. Layer the remaining pieces together and adhere them to the front of the card with foam adhesive.

3. From *Hot Dawg* trim out the "Best Friends" paw print element and set aside. From *Purr-fect* trim out the dog in the tuxedo card to approx 1 7/8" x 2 1/2".

4. Adhere the "Best Friends" element to the right side of the dog card as shown. Adhere this element to the front of the card along the right side.

5. Adhere a small yellow flower center to the back of the Love chipboard tag and adhere it to the front of the card as shown.

6. Using three different sizes of daisy shaped flowers, create a large dimensional flower using your ball stylus and tweezers. Pinch each petal with the tweezers and fold the petals around to the center. Use the ball stylus on the center of the flowers to make them "cup". Add the leaf and flower to the front of the card as shown in the photo.

Card #3

1. From the B-side of *Best in Show* cut a piece to measure 3/4" x 8" and a piece to 3" x 7 3/4". From *Atta Boy* cut a piece to 3" x 7 3/4" and a piece to measure 3/4" x 8" from the B-side.

2. Adhere the smaller piece of *Best in Show* to the B-side of the larger *Atta Boy* and adhere it to the inside of the card. Trim out the "BFF" element from *Hot Dawg* and adhere it to the inside along the upper left corner. Add two butterflies as shown. Adhere the remaining two pieces from step 1 together and adhere them to the front of the card.

3. Adhere one of the leaves to the upper left hand corner of the card front. Trim out the "Best in Show" journal card from *Friends Fur-ever* and add foam adhesive to the back and adhere to the front, having the right edges even and approximately 3/4" from the top of the card.

4. Create two layered flowers, a smaller one for the upper left hand corner and a larger one for the lower portion of the card front. Use your tweezers and ball styles to roll and shape the petals. Layer the flowers together offsetting petals.

5. Add the "BFF" chipboard tag just below the "Best in Show" journal card, add a set of leaves and remaining flower as shown.

You can complete an additional three cards following the same steps using other papers from the collection!
