## Directions:

- Each card base is created exactly the same. Open up the card base and place it in your scoreboard with the long side across the top and score at 2¾". Fold and burnish with a bone folder.
- After finishing the cards decorate the envelopes using leftover border strips from *Get Your Ticket* and adhere them along the bottom portion of the envelope front and trim off the excess. Add ephemera or fussy cut elements to the right hand side as shown in the images.
