- Measurements are width x height unless specified.
- Optional: Distress paper edges with ink before adhering.
- The following instructions are for three cards. Use the remaining supplies provided in your kit to create three additional cards by following the steps using other papers!

Directions:

Card #1: *Alice's Tea Party* B-side, *Fantasy*, *Fanciful* B-side & *Enchanting*

4. Choose one large flower and three small flowers, each with at least two layers. Add pop-ups to the back of each layer. Adhere the flowers and greenery as shown in the photo. Add two more small flowers with a bit of greenery as shown on the front of the card.

1. Cut a piece of *Alice's Tea Party* B-side to 8" x 3¼". Adhere to the card front. Bend the lower right corner up towards the top of the card and glue only at the corner. Do not crease.

2. From *Enchanting*, cut a 3" square then cut the square diagonally from upper right corner to lower left corner to create a triangle. Add the triangle to the triangle on the card front.

3. Using *Fantasy*, cut a horizontal row of flowers keeping the pink and the blue borders. Cut the width to 5¼". Adhere to the center front of the card.

5. From the Ephemera locate the mushroom with the tea set. Cut off the scrolled edge on both the top and bottom. Pop up to the center of the blue check. Place a small flower and leaf in the upper left corner.

6. Cut a piece of *Fanciful* B-side to 8" x 3¼". Adhere to the inside center. From the Ephemera locate the "You Are My Cup Of Tea" scroll and adhere to the inside left of the card. Add a large daisy with turned up petals and pop up a yellow center. Add a few green leaves behind the daisy and a small butterfly just touching the rose on the "You are my cup of tea".

Card #2: *Enchanting* B-side leftover from Card #1; *Precocious* B-side; a new piece of *Fantasy* B-side.

1. Cut a piece of *Precocious* B-side to 8" x 3¼". Center & adhere to the front of the card. Bend the lower right corner up as in Card #1.

2. With the diagonal cut of *Enchanting* left over from card #1, adhere the B-side to the front triangle. Add two layered flowers to the top.

3. From the Ephemera Assortment, locate the rabbit and two tickets. Double pop the rabbit in the center with one ticket popped up on each side. Adhere one of the metal keys to the rabbit's vest.

4. Cut a piece of *Enchanting* B-side to 8" x 3¼" and adhere to the inside card center. From the Ephemera, locate the tea pot and the clock. Pop up the tea pot to the clock center and then adhere the clock to the inside right of the card.

5. Using *Fantasy* B-side and the large tag template, trace and cut a horizontal tag. Adhere the tag just barely underneath the clock.

Card #3: *Brilliant* A & B-sides; *Fanciful* B-side

1. Cut *Brilliant* to 8" x 3¼". Adhere and fold as in Card #1.

2. From *Fanciful* B-side cut a 3" x 3" square. Make a diagonal cut and adhere to the triangle.

3. Use three large flowers and three medium flowers and curl up the petals. Using pop dots, stack two flowers together and adhere a yellow center. Use one medium daisy pop up heart in the center. Adhere 2 large and one medium flower to the card front.

4. On the card front, add the stacked tea cups and the rabbit with a horn, double popped. Adhere one of the small ornate metal keys between the tea cups and the banner.

5. On the inside of the card, add a piece of *Brilliant* B-side cut 8" x 3¼" to the center of the card. Add a medium stacked flower to the inside lower right corner. Cut a piece of *Fanciful* B-side 3" x 3" and add it to the center. From the Ephemera, add the square king holding the teapot on the pillow.

You can complete an additional three cards following the same steps using other paper from the collection!
