- Measurements are width x height unless specified.
- The following instructions are for three cards. Use the remaining supplies provided in your kit to create three additional cards by following the steps using other papers!

### Directions:

#### Card #1: Chic

1. From *Couture* B-side, cut two pieces each 4" x 5¼" piece and adhere to the card front center. Save the 2nd piece for step 8.
2. Cut four pieces of black glitter washi: two pieces ¾" and 2 pieces 4½". Line the scallop card with the four pieces, placing the washi just inside the scallop edge. Using pop dots, add the scallop to the center front of the card
3. From *Accessorize* B-side, cut a piece 3" x 4¼". Using pop-dots, adhere to the center of the scallop card.
4. Cut out the "Chic" image from *Beautiful*, a stamp from *Classy* and a small "Couture" image from *Couture*
5. Create a "picture stand". Open the flower assortment and use the black packaging for this step. Cut two pieces of packaging about ½" x 1" and a piece that is about 1" x 2". Fold in half and adhere the smallest piece towards the bottom of the stamp and the larger piece towards the bottom of the "Chic" image.

6. Adhere the small *Couture* image to the lower left corner of the *Accessorize* B-side. Add red & yellow flowers to the card front.

7. Create a left flip: Locate and cut around the image from *Elegant* lower left corner. From *Gorgeous*, cut a hinge strip that is ¾" x 4". Score on the ¾" side at ⅜". Adhere the ⅜" flower side hinge to the flower border on the *Couture* card. Glue the remaining ⅜" to the center left back of the *Couture* B-side. Then adhere *Couture* to the inside of the card. Add adhesive to the right back of the flower only, creating an open tuck-behind on the left side. Add green leaves behind the flower.

## Couture – Glamorous & Glittery Card Set

Card #2: Couture

1. Cut two pieces of *Gorgeous* as follows: B-side 4" x 5 1/4" and Side A 3 3/4" x 5". Adhere B-side to the card front. Pop-up A-side and add it to the center of B-side.

2. Cut a piece of *Style* paper 3 1/4" x 4 1/2". Line the edges with gold glitter washi. Pop-up in the center of *Gorgeous*.

3. From *Elegant*, cut out the pink dressed "Couture" lady. Add it to the center of the washi taped piece.

4. From *Classy*, add a stamp to the lower right corner, using the "picture stand" as described in Card #1 – step 5. Add a butterfly behind the stamp image.

5. Cut two pieces of washi gold 4" and two pieces 5 1/4". Line the inside of the card with the washi. Add the scallop card to the inside center. Add a flower, leaf spray and butterfly to the lower right corner.

Card #3: Stylish

1. Cut a piece of *Chic* 4" x 5 1/4". Adhere to the card front.

2. Cut a piece of *Accessorize* B-side horizontal stripe 3 1/4" x 4 1/2". Do not adhere. Add diagonal pieces of black and gold glitter washi, three pieces across the upper left corner and two pieces across the lower right corner. Pop up the back of *Accessorize* and add it to the card front center.

3. Cut out the "Stylish" image from *Beautiful* and pop up the image towards the center of the card front. Add a stamp, using the "picture stand" as described in Card #1 step 5. Add two sprigs of leaves.

4. Add a scallop card to the inside. From *Couture*, cut a black lace strip 4 1/4". Add a strip of gold glitter washi about 2" up from the bottom of the card. Add the lace strip, leaving some of the washi tape showing at the top. Add a leaf spray to the lower right corner.

You can complete an additional three cards following the same steps using other paper from the collection!
