- The following instructions are for three cards. Use the remaining supplies provided in your kit to create three additional cards by following the steps using other papers!

Directions:

Preliminary Cuts:

1. For each of the six cards, cut off 2½" from the front panel, right side.
2. Use one of these pieces and stamp three flower images on one piece, leaving enough room to cut around each flower image.
3. Using one sheet of *Born To Be Wild*, cut each of the images as shown in the photo.

Stamping: All stamping should be completed before adhering any Wild & Free papers, to insure you get a nice even stamping.

Card #1: Wild & Free Monkeys

1. From *Wild & Free*, cut around the monkey card image on the lower left corner. From the B-side, cut a strip that is 2⅞" x 5⅝". Adhere the strip to the inside far right card panel.
2. From *Monkey Trouble* B-side, cut one strip 2⅞" x 5⅝". Add this to the center front left panel. From *Monkey Trouble* B-side, cut a piece 2½" x 5" and add to the center of the *Wild & Free* panel.
3. From *Monkey Trouble*, cut a piece 2½" x 5" and adhere to the center front panel.
4. From the leftover *Monkey Trouble*, find a monkey facing left and fussy cut around the monkey.
5. From *Creatures Great & Small*, cut out a green stamp *Born To Be Wild*. Pop up in the lower right corner and use as a tuck behind for the Wild & Free card.
