- The following instructions are for three cards. Use the remaining supplies provided in your kit to create three additional cards by following the steps using other papers!

Directions:

Preliminary Cuts:

1. Cut off ¼" from the bottom of six tags. Ink cards and tags if desired.
2. Cut two pieces of ribbon for each card: one piece 13" long and one piece 9" long.
3. Using the 13" piece of ribbon, attach about ½" to the inside right center of the card.
4. Leave ¼" gusset between the right side of the card and the back of the tag, glue the ribbon across the center back of the tag.
5. Close the card and glue about ½" of the 9" ribbon to the center left of the card.

Card #1:

1. From *Steampunk Spells*, fussy cut around the image of the woman on the bike and around the large hot air balloon. Save the rest of the paper for step 2.
2. From *Steampunk Spells* (B-side), cut the following pieces: 4" x 5¼"; 2¾" x 4"; 2" x 4"
3. Tag Front: Adhere the smallest piece from Step 2 to the front right. Add the fussy cut bike image to the left side, cutting off the bottom and side overlap. Cut a piece of border from *Steampunk Spells* and add it to the bottom. On a second piece of *Steampunk Spells*, fussy cut around the women's hat and pop-up over the original hat.
4. Tag Back: Center & adhere the 3¾" x 4" (B-Side) over the ribbon. Add the hot air balloon to the upper right. Add a border piece on the bottom. Cut a piece of *Fanciful Floral* (B-side) 1¼" x 4¼". Add it just to the left of the balloon. Pop up two small stamp images on top of the *Fanciful Floral*.
5. Card Front: Adhere the 4" x 5¼" *Steampunk Spells* to the center. Cut a piece of *Fanciful Floral* 3¾" x 5" and adhere, centering. From *Vintage Voyage*, cut around the hot air balloon card and pop up in the center.
6. Inside Card Right Panel: Cut a piece of *Fanciful Floral* (B-side) 4" x 5¼" and adhere to the center. Cut a 1¼" square from *Steampunk Spells* (B-side). Then cut the square into a triangle, creating photo corners.
7. Close the card, then close the tag over the card front and tie a bow on the left side of the tag/card.
