Additional Supplies, Tools, Adhesives & Ink:

Paper trimmer, detail scissors, scoring tools, various adhesive pop-dots, Opt: G45 Hybrid Ink—Classic Black

Notes:

- For a fun, detailed video tutorial, visit our YouTube page!
- Measurements are width x height unless specified.
- The following instructions are for three cards. Use the remaining supplies provided in your kit to create three additional cards by following the steps using other papers!

Directions:

Card #1: Charmed Horizontal Pop-Up

1. Cut two pieces of *Charmed* (B-side) as follows: one 4¼" x 6¾" and one 6¾" x 8". Adhere the smaller piece to the center card front.

2. Using the larger piece, fold it with the stars in, so that it measures 6¾" x 4". Using a scissors and ruler, cut two slots, each about 1¼" in from the sides and about ¾" down from the fold.

3. Open the card and tuck the slots inward. (See video for clarification.) This will create a kind of "shelf" when the card is open. Adhere the *Charmed* piece to the inside of the card, avoiding any glue or tape on the cut area.

4. From *Sit For a Spell*, cut a strip of "Fright Night" words and adhere to the bottom inside of the *Charmed* paper.

5. Add the "Charmed" word to the top of the inside card, the *If The Broom Fits* to the "shelf" and a starry witch to the bottom border.

6. Cut a piece of "Let's Party" 6½" x 1¼". Pop up and adhere to the center front of the card. Cut three pieces of chevron ribbon, each piece about 5". Space evenly and adhere across the top of the card. Cut three images from *Charmed* and pop up on top of the *Let's Party* & the ribbon. Cut a strip of *Charmed* tickets and adhere across the top of the card.

Card #2: Oh Bats Vertical Pop-Up

1. Cut and adhere a piece of *Frankly Frightful* (B-side) 4¾" x 6¾" to the center front of the card. Cut a piece of *Oh Bats* (B-side) 4" x 6" and pop up on the center top of *Frankly Frightful*.

Charmed — Halloween Pop-Up Card Set

2. From *Oh Bats*, cut a strip of “No Tricks” words and pop-up at the top of the outside panel. Locate the “BOO” tag and the orange frame from the ephemera pack. Add a strip of ribbon through the “BOO” tag and adhere towards the right top of the “No Tricks” strip.

3. Cut a piece of *Oh Bats* 2¼” x 2½” and adhere to the back of the orange ephemera frame. Pop-up the frame towards the left of the card front.

4. Cut a piece of *Oh Bats* to 4” x 6” and adhere to the center inside right panel. Use a strip of leftover paper cut to 4” x 1⅞”. With the 1⅞” across the top of your scoreboard, score at ⅜”, ¾”, 1⅛” and 1¼”. Fold on all score lines to create a boxed shape tube and glue one side only to the bottom inside of the card.

5. Attach a flying witch on top of the boxed tube. Add two stars in the upper right corner.

Card #3: Hey Pumpkin Horizontal Double Pop-Up

1. Cut and adhere a piece of *Let's Party* 6¾” x 4¾” to the card front.

2. Cut a piece of *Hey Pumpkin* 5¼” x 3¾”. Wrap two pieces of ribbon around this piece, ending on the far right side. Pop up this piece on the center front. Adhere a tag and pumpkin popped up over the right side of the ribbon.

3. For the inside of the card, cut *Hey Pumpkin* 6½” x 5½”. Fold in the center with the large pumpkins in. Measure 1¾” in from the left side and cut a slot 1” down. Measure 2¾” from the first slot and cut a second slot 1” down. Fold and adhere on the inside of the card as instructed in Card #1.

4. Cut a strip of *Let's Party* 6½” x 1” and adhere to the top of *Hey Pumpkin*.

Cut a leftover piece 6½” x 1⅞”. Score as in Card 2, instruction #4 to create a boxed shape tube. Adhere the tube to the inside bottom of *Hey Pumpkin*. From the ephemera pack, add *Hey Pumpkin* to the top, the little girl tag to the center pop-up and the pumpkins to the boxed tube.

You can complete an additional three cards following the same steps using other paper from the collection!
