- The following instructions are for three cards. Use the remaining supplies provided in your kit to create three additional cards by following the steps using other papers!

— Framed & Accordion Card Set —

Directions:

Card #1& #2: Preliminary Cuts & Scores

1. To prep the card: Open the base card and cut in half at the current score line. Take one of the pieces and measure a $\frac{3}{4}$ " border all around. Using a kraft knife and ruler, cut out the center square on 1 piece only of each card.
2. Cut the center square in half to make 2 pieces 2" x 4" (approx.). With the 2" side across the top of your scoreboard, score at $\frac{1}{2}$ " and at 1" and at $1\frac{1}{2}$ ". Do this for both #1 and #2 cards.

Card #1: Warm Wishes Framed Card

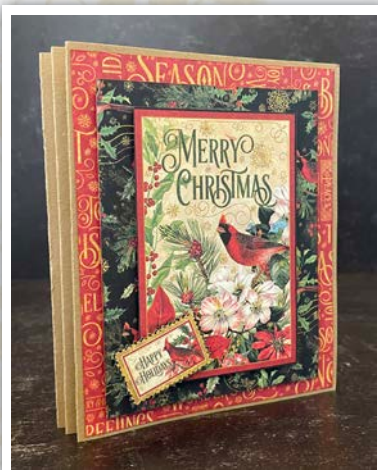

1. Measure and cut Peace and Plenty from the top left $5\frac{1}{2}$ " x 5". Adhere to card back about $\frac{1}{2}$ " from the top. From *Glad Tidings*, cut a strip of *Merry and Bright* $5\frac{1}{2}$ " W. Adhere to the very top of the card.
2. For the frame piece: From *Comfort & Joy*, measure and cut 2 vertical strips, each $\frac{3}{4}$ " x $5\frac{1}{2}$ ". Adhere to the frame sides.
3. From *Glad Tidings*, cut a strip of green with "Warm Wishes" words $5\frac{1}{2}$ " W and adhere to the bottom of the frame. From *Glad Tidings* cut a strip of cardinal birds with "Happy Holidays" $5\frac{1}{2}$ " W Add to the very top of the frame. Then cut a piece of black print border $5\frac{1}{2}$ " W and add underneath the "Happy Holidays".
4. To decorate add a "Warm Wishes" tag, a "Joy To the World" stamp, and a fussy cut poinsettia. Stamp & cut poinsettias and "Warm Wishes" with the ink pad.
5. Once all the pieces are in place, add a scored piece to the underside of the frame - one on the right and one on the left. Make sure that the mountain fold is facing toward the inside of the card. Then attach the last score to the back front of the card.

Card #2: Wonder & Joy Framed Card

1. Prepare the card as explained above. Cut a piece of *Holiday Hello* (B-side) 5½" x 5½". Adhere to the square card piece.
2. For the frame, begin on the right side of *Warm Wishes* and fussy cut the frame down to the last bright red poinsettia, making sure to keep the cardinals, and the white flowers underneath the cardinal. Cut this piece to 5½" T and adhere to the right side of the frame.
3. From the left side of *Warm Wishes*, fussy cut around the frame keeping the poinsettia and the white flowers. Cut this piece to 5.5" T and adhere to the left side of the frame. Cut two more pieces of the *Warm Wishes*, one from the top and one from the bottom, both 5½" W. Add to the top and bottom of the frame.
4. Add a fussy cut poinsettia popped up, a "Merry Christmas" stamp popped up and a stamped poinsettia and snowflakes around the frame.

Card #3: Merry Christmas Accordion Card

1. Unfold the card and place the 11" side across the top of your scoreboard. Score at 4½", 5", 5½", 6", 6½". Carefully fold the card accordion style.
2. Cut a piece of *Holiday Hello* 4¼" x 5¼" and adhere to the card front. Layer with a piece of popped up *Holiday Hello* (B-side) 3¾" x 4¾". Add a "Merry Christmas" popped up image from *Glad Tidings* and a stamp from *So Very Merry*.
3. For the card inside, cut two pieces of *Holiday Hello* each 4" x 5". Adhere to the front & back inside.
4. Add your favorite images from *So Very Merry* and *Glad Tidings* to the accordion folds, making sure to adhere as shown in Charee's YouTube video. (There's a trick to that!).
5. Add stamped poinsettias and snowflakes to the inside of the card.

You can complete an additional three cards following the same steps using other paper from the collection!
