- Measurements are width x height unless specified.
- The following instructions are for three cards. Use the remaining supplies provided in your kit to create three additional cards by following the steps using other papers!

Directions:

For all the cards, open the black card and place the 8½" side across the top of your scoreboard. Score at 2½" and at 6¾". Fold the two sides to the center of the card. You should have a thin opening in the center that is about ⅛".

For the slider mechanism, cut the 8x8 cover page into six pieces, each piece 2" x 2½". Score four pieces on the 2" side in half. Set aside for the vertical cards. Score two pieces on the 2½" side at 1¼" for the horizontal card.

Card #1: I Carry Your Heart With Me – Vertical Card

1. Cut *True Love* to 4" x 5¼" and add to the inside card center. From *My Beloved*, Cut "Love Changes Everything" and adhere to the inside center panel.
2. Cut *Heart's Desire* 1⅞" x 5¼". Add these to the inside left & right panels.
3. Cut two pieces of *True Love* 1⅞" x 5¼". Adhere these to the outside panels. Cut 2 pieces of *Heart's Desire* 1½" x 4¾". Center and add to the top of the *True Love* panels.
4. For the closure, cut a piece of *Heart's Desire* 2" x 2½".
5. Using two of the slider mechanism pieces cut above, fold these two pieces again and add ½ of one piece to the left side of *Heart's Desire* and the other piece to the right side of *Heart's Desire*, meeting the pieces in the center. Fold the the centers flat (one to the left and one to the right) and cover with a second piece of *Heart's Desire*.

6. Add a tag to the front of the mechanism. Add a piece of 2¼" x 2¼" *Precious One* to the tag front, then a piece of *Heart's Desire* cut 1¼" x 2¼". Cut your favorite image from *Forever Mine*, add a brad in the upper left corner and pop up in the center of the tag.
