- For a fun, detailed video tutorial, visit our YouTube page!
- A sandal template is located on page 3. Trace the template onto a piece of paper to be cut out and used.
- Measurements are width x height unless specified.
- The following instructions are for three cards. Use the remaining supplies provided in your kit to create three additional cards by following the steps using other papers!

Directions:

~ Card No. 1 – Fun & Sun - Top Slider Card

1. Open the card and measure/mark a ¼" margin all around the right side of the card. Using a craft knife, cut along the left and right marks only.

2. To decorate the outside, cut *Sand Dollars* (B-side) to 5" x 5" and adhere to the center card front.

3. Cut *Under the Sea* to 4¾" square. Round corners and pop up in the center card front.

4. Make a large bow with striped ribbon, pop-up the Fun & Sun cut-apart tag with an inserted metal brad and pop-up a turtle looking towards the tag.

5. For the pop-up slider: Cut a strip of leftover paper ½" wide and 8½" tall. Score this strip on the 8½" side at 2½" and at 6½". Slide each end of this strip through the back of the card to the inside and meet the two ends in the center of the card.

Overlap the one end onto the branding strip and glue in place. This will allow the band to slide up and down.

6. Slider Card: Cut a piece of *Splish Splash* (B-side) 3¾" square. Round corners. Add a fussy cut girl, three shells and "You Are My Sunshine". Fold a small piece of navy ribbon in half and glue the ends to the front & back of this slider card. To the inside kraft card, add a small amount of glue along the bottom and right edge, permanently closing the card.

7. Cut a piece of *Splish Splash* 4¾" square and add to the back of the card.

~ Card No. 2 – Sun Kissed with Flip-Flop Insert - Top Folding Card

1. Cut a piece of *Sail Away* 5" x 5". Add to the center of the card front. Fussy cut around the flowers of *Sun Kissed*. Cut to 5" wide and 5" tall and add to the left side of the card, gluing on only the left and bottom to create a pocket.

2. Using the included flip-flop template (page 3), cut two squares of *Under the Sea*, each 4" x 5". Fold the rectangle in half to create a folded 2" x 5" card with one A side out and one with B side out. Place the left of the Flip-Flop pattern just over the fold and cut around the pattern. Repeat this with the second piece of *Under the Sea* (B-side). Following the pattern, punch three holes on the front (A-side only). With a 10" length of navy ribbon, feed the ribbon through the 3 holes, creating straps. Secure the ribbon on the back with

a piece of double sided tape and add a brad at the "toe". Glue the 2nd piece of flip flop to the inside of the first card, covering the holes, the ends of the brad and the ribbon ends. Tuck into the pocket.

3. Place a strip of *The Sun Sand & Sea* with "Sun Kissed" on the bottom inside of the card. Add the fussy-cut little girl above the bottom strip.

~ Card No. 3 – Set Sail Top Slider Card

1. Open the card and measure/mark a $\frac{3}{4}$ " margin all around the right side of the card. Using a craft knife, cut along the left and right marks only. Follow the directions in Card #1 – directions #5 for the slider mechanism.

2. Cut a piece of *Under the Sea* (B-side) to $3\frac{3}{4}$ " x $3\frac{3}{4}$ ". Adhere pre-fussy cut "children playing on the wharf" to the top of this flip flop mechanism. Set aside.

3. Cut a piece of *Under the Sea* (B-side) to 5x5" square. Adhere to the card front. Cut *Splish Splash* with horizontal stripes $4\frac{3}{4}$ " square. Round the corners if desired. Pop-up onto card center. Cut a piece of *Sail Away* to $3\frac{3}{4}$ " square and pop-up onto card center.

4. To the front of the card add a thin strip of "Building Sand Castles" from *Kids at Play*, a popped up "Set Sail" tag with a piece of light blue ribbon and a popped up fussy cut ship.

5. Add the *Under the Sea* card from #2 above to the pop-up slider. Add a 6" folded piece of ribbon to the top of the slider. Glue the card closed on the right and bottom only. Cut a piece of *Sail Away* $4\frac{1}{4}$ " square. Add to the back of the card, making sure to glue only on the very edges.
