Directions:

~ Preliminary for all pop-up box cards:

1. Without folding the card, cut a ½" strip from the 5½" side so that the card measures 5" x 8½". Then cut the strip into two strips 2¾" and one 3" strip. Set aside.

2. With the 5" side across the top of your scoreboard, score at 3".

3. With the 8½" side across the top of your scoreboard, score at 2½" and at 4¼" and at 6¾".

4. The shorter 3" side will be the box tops. Cut on the score lines down to the 3" score.

5. Using the 3" strip, fold or score in ½ for a seam. Glue one side to the right inside of the box and glue closed on the left inside of the box.

6. Using the two 2¾" strips, score each at ¼" and at 2¾". Add to the inside of the box.
