### Notes:

- Number the pages of the album to make it easy to work with.
- For a fun, detailed video tutorial, visit our YouTube page!
- All measurements are width x height, unless specified.
- When cutting papers, be mindful of the pattern direction.

### Directions:

1. Number the pages of the album to follow the instructions. We have the back of the front cover, then, each page from 1 to 36 and the back of back cover. On pages 5; 11; 17; 23 and 29 make a mark at 2 ½" from the hinge and trim out the right section. Save these pieces because we are going to use them ahead.

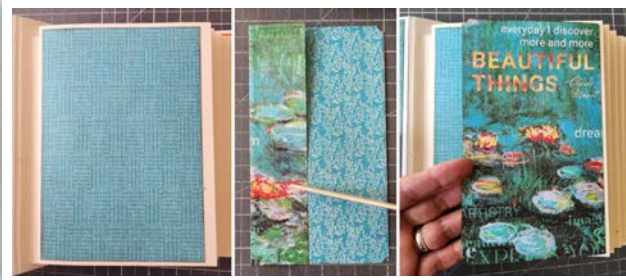

2. Take the *Design Beauty* and trim a 6" x 8" piece from the bottom right corner, then, trim the edges to get a 5 ¾" x 7 ¾" piece centering the cards and add it to the back of the front cover. Add the sticker shown to a piece of Ivory Card-stock trimmed on step 1, trim it around leaving a thin border and add it to the back of the front cover. Place the second size clock to the bottom right corner of the label.

3. Take *Design Beauty* and trim a 6" x 8" piece from the upper left corner, then, trim the edges to get a 5 $\frac{3}{4}$ " x 7 $\frac{3}{4}$ " piece centering the cards and add it to the back of back cover. Trim out the butterfly rectangle from *Design Beauty* and add it to a piece of Ivory Cardstock trimmed on step 1, trim it around leaving a thin border and add it to the back of back cover.

4. Cut a 5" x 7 $\frac{1}{4}$ " piece of *Paint your Dreams* (b-side) and add it to the left section of page 1. Cut a 6" x 7 $\frac{1}{4}$ " piece of *Creative Chaos* and score a line at 1 $\frac{3}{4}$ " in the 6" direction. Fold the 1 $\frac{3}{4}$ " section upon the score line, apply adhesive on the upper and bottom edges and close to the score line and add it to the right side of the page 1 as a pocket.

5. Cut the border shown of paper and score a line at 1" in the 6" direction, fold it under the score line and add it

to the page 1 at 2" from the bottom edges and close to the left edge of the page 1. Take the sticker shown and add it to a piece of cardstock trimmed on step 1. Trim around leaving a thin border and add it to the lateral flap allowing you to insert the narrow border piece underneath. Trim 7 $\frac{1}{4}$ " of the border shown and add it to the pocket on the page 1.
