Directions:

1. Locate the three 8" tall hinges. They roughly measure (1) $2\frac{1}{8}$ " x 8", (1) $1\frac{5}{8}$ " x 8", and (1) $1\frac{1}{8}$ " x 8". Note the $\frac{1}{8}$ " scored sections on the left and right of each hinge. Write the page numbers on the scored sections. $2\frac{1}{8}$ " hinge: left side is Page 2 (back), right side is Page 7. $1\frac{5}{8}$ " hinge: left side is Page 3 (back), right side is Page 6. $1\frac{1}{8}$ " hinge: left side is Page 4 (back), right side is Page 5.

2. Find one solid 8" x 8" chipboard page and six pages with squares inside. Carefully remove the inside squares and keep them with the other solid 8" x 8" chipboard page. (Save these pieces to create a pyramid album later.) Set aside one *Bright Beautiful Day*, one *Garden Club*, and one *Friends and Flowers* for fussy cutting and cut-aparts.

3. Page 1 / Front cover frame: Find chipboard page with a 1/2" border. Take *Grow with Love* and trim 1/2" off the top, bottom, and sides. Trim four pieces to 8" long, then adhere to the page. (You can also make diagonal cuts in some of the paper edges

before adhering.) Save the leftover paper for step 7.

4. Page 2: Find chipboard page with the 1" border and smooth any bumpy parts in the inside square. (Do this for remaining pages.) Trim *Blooming Beauty* to 12" x 8"; then cut into an 8" square. Save leftover paper for step 36. Place the chipboard page

on top and trace the inside square. Remove the square, then adhere paper. Attach chipboard stickers. The chair should be about 3/8" from the bottom.

5. Locate the “Spring is in the Air” and purple allium chipboard tags. Attach gold washi underneath the small keyholes and behind the right side of the pink tag.

Opt: apply this technique for remaining chipboard tags in the album.

6. Adhere Page 1 / Front cover frame on top of Page 2. Adhere watering can and “Grow With Love” stickers, then adhere chipboard tags.

7. Page 2 (back): Adhere the left 1/2" scored portion of the 2 1/8" x 8" hinge on top of the far right side of the page, so that the chipboard is just shy of the score line.

(This will help the pages move more easily.) Use leftover *Grow with Love* (b-side) from step 3 and repeat step 4, adhering the paper on top of the hinge.
