Optional: stamp edge scissors, coordinating ink and applicator

## Notes:

- All measurements are width x height, unless specified.
- When cutting papers, be mindful of the pattern direction.
- If desired, use coordinating ink to distress paper edges.

## Directions:

1. Remove a set of two magnets. Note that the smooth side of each magnet is the magnet's north pole. The reverse side, which has a hollow shell, is the magnet's south pole. The opposite ends of each magnet must face each other to bond. Note this as you adhere magnets throughout the album.

3. Open the album. You will adhere a set of magnets on top of two existing hidden magnets located on the inside left and right covers. Starting with the left inside cover, and assuming the hidden magnet's north pole is face up, take one of your magnets and run its south

pole over the surface until it comes into contact with the hidden magnet. Adhere the south pole with wet adhesive; the north pole will face up.

2. Take *Change is Beautiful* and cut a 12" x 7¼" piece. Trim this into two 5⅝" x 7¼" pieces. Save leftover paper for step 15. Remove brown "Autumn" borders from *Autumn Greetings* and *Thanks & Giving*; trim both to 7¼". Save leftover papers for future cut-a-parts. Find your second sheet of *Thanks & Giving* (b-side); cut two 1¼" x 7¼" strips. Organize the papers into two sets.

& *Giving* (b-side) paper to fully cover the magnet.

4. Allow the adhesive under the magnet to fully dry. Then center and adhere one set of papers from step 2, starting ⅛" from the left edge. You may need to apply additional wet adhesive under the 1¼" x 7¼" *Thanks*

Allow adhesive to dry completely. Then attach a large bouquet cardstock sticker.

5. Take *Gather and be Grateful* (b-side) and remove 3" x 4" "Delicious Autumn." Attach yellow tab sticker to the front and back. Locate two small flower bouquet stickers. Then fussy cut a set of two pumpkins from *Pumpkin Patch*. Set aside

this sheet of *Pumpkin Patch* for future fussy cutting.

6. Inside right cover:

Repeat steps 3 and 4, adhering your second magnet to the right side with the south pole facing up. Attach cardstock stickers.

Adhere just

the left and bottom of the fussy cut pumpkins; insert 3" x 4" cut apart. Allow adhesive to fully dry before closing the album.

7. Find a middle pocket. Trim  $\frac{1}{4}$ " off the right side vertically. This will expose the inside of the pocket, so place a thin strip of adhesive along the inside right side. Take leftover *Thanks & Giving* (b-side) and cut a  $6\frac{3}{4}$ " x 7" piece. Trace the semi-circle shape from the top of the pocket; cut

out the shape. Center the paper over the pocket. Trim the semi-circle notch so there is about  $\frac{1}{8}$ " of space between the paper and pocket. Do not adhere yet.

8. Find *Happy Harvest* and cut a  $5\frac{1}{4}$ " x 12" piece. Score horizontally at  $5\frac{1}{2}$ " from the top. With the resulting  $6\frac{3}{4}$ " x 12" piece, trim to  $6\frac{3}{4}$ " x 7" and flip over to its b-side. Place the 6" x 7" *Thanks & Giving* paper on top; trace the notch and remove.

9. Remove  $6\frac{1}{8}$ " long "Delicious Autumn" border and fox stamp from leftover *Autumn Greetings*. Then locate "Gather and be Grateful"

chipboard tag and small flower cardstock sticker. Find your second sheet of *Autumn Greetings* (b-side); cut a 5" x 12" piece and trim to 5" x 5". Save leftover paper for steps 25 and 33. Attach photo corner stickers.

10. Center and adhere *Thanks & Giving* (b-side) paper to the front of the middle pocket. Adhere just the bottom of the "Delicious Autumn" border to create a tuck spot. Adhere the bottom of the chipboard tag to the

border; then adhere fox stamp behind the border. Attach small flower sticker, then insert 5" x 5" *Autumn Greetings* (b-side).

11. Fold  $5\frac{1}{4}$ " x 12" *Happy Harvest* along score line; insert just the  $5\frac{1}{4}$ " scored section into the top of the middle pocket. Place the bottom of the paper into the "Delicious Autumn" border tuck spot.

12. Remove pumpkin and orange vine border from leftover *Autumn Greetings*; trim to  $6\frac{3}{4}$ " and save leftover piece for step 25. Find maroon and large brown floral chipboard frames and "Autumn ... the year's last" tag. Take your second *Pumpkin Patch* and cut a  $3\frac{3}{4}$ " x 12" piece off the right side. Trim into (1)  $3\frac{1}{4}$ " x  $5\frac{1}{4}$ " and (1)  $2\frac{1}{4}$ " x  $3\frac{1}{4}$ " pieces that will be displayed in the frames. Adhere papers.

13. Flip middle pocket over. Center and adhere *Happy Harvest* (b-side) paper. Adhere border, chipboard tag, and frames. Then attach a small maroon circle sticker to the tag.

14. Locate one of the waterfalls. You will cut the entire waterfall in half vertically at  $3\frac{3}{4}$ ". To do so, make a

mark on the top and bottom of each mat at  $3\frac{3}{4}$ ". Use a pencil to draw a line connecting the dots. Carefully cut the waterfall one mat at a time. Then turn one of the  $3\frac{3}{4}$ " wide waterfalls upside down.

15. Remove these 3" x 4" cut-a-parts from leftover *Gather and be Grateful*: "Gather and be Grateful", "But I love Fall" (b-side), and pumpkin (b-side). Remove "Autumn Greetings" from your second sheet of

*Gather and be Grateful*. Find leftover *Change is Beautiful* (b-side) and cut four 3" x  $4\frac{1}{4}$ "; score just these pieces  $\frac{1}{4}$ " from the left vertically. Then cut a 12" x  $4\frac{1}{4}$ " strip from *Fall Foliage*; cut into four 3" x  $4\frac{1}{4}$ ".

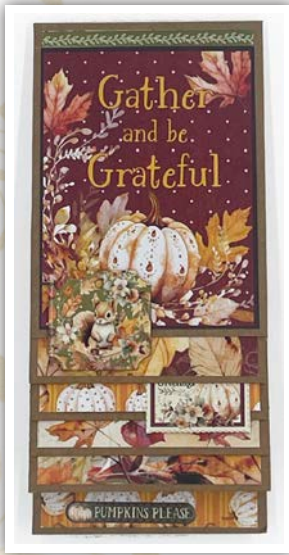

16. Locate the following chipboard tags and cardstock stickers. Trim the green border sticker into four 3" long pieces; these will be attached above the 4" tall *Gather and be Grateful* papers so that they are equal in height to the other  $4\frac{1}{4}$ " tall photo mats.

17. Left waterfall: Adhere papers in this order from the top flap to the bottom: *Gather and be Grateful*, *Fall Foliage*, *Change is Beautiful* (b-side); repeat. Adhere just the scored  $\frac{1}{4}$ " section of the *Change is Beautiful*

# Autumn Greetings – Trifold Waterfall Folio Album

18. Right (upside down) waterfall: Repeat step 17, but adhere papers from the bottom flap to the top flap in this order: *Change is Beautiful* (b-side), *Fall Foliage*, *Gather and be Grateful*; repeat. Cut another 3" x 4¼" *Fall Foliage* and adhere under the last flap.

20. Find your second middle pocket. Trim ¼" off the right side vertically, then remove one of the sides. Cut two 1½" x 6" pieces. Score one at 1½" from the top horizontally and the other at 1½" from the bottom. Fold along the score lines; these will become magnetic closure flaps. Take leftover *Pumpkin Patch* (b-side)

(b-side) mats. Attach green border stickers. Then adhere chipboard tag; attach stamp stickers to the front and back of the papers, then attach remaining stickers.

19. As the waterfalls provide a seventh area for a photo mat under each bottom flap, you may cover these areas using two additional 3" x 4¼" *Fall Foliage*. Optional: To give your waterfall pages some extra flair, attach the following cardstock stickers underneath each flap.

and cut two 1½" x 4⅜"; center and adhere these over the bottom sections. Cut two additional 1½" x 4⅜".

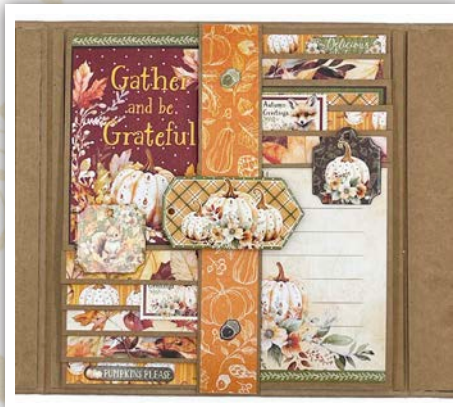

21. Open your album to the center section. Make a mark on the center of the bottom edge and one on the top edge, about 3 ⅝". Use a pencil and ruler to draw a line connecting the dots. Center and adhere the 1½" scored section of one flap, paper side down, ensuring the score line is just above the bottom edge. Adhere the north pole of a magnet about ⅜" - ½" from the bottom of the flap. (South pole will face up.)

22. Allow adhesive to fully dry. Adhere one *Pumpkin Patch* paper over the bottom closure flap; let dry. Adhere the top closure flap, paper side down. Adhere waterfalls using the pencil line as a guide. To gauge where to adhere the second magnet, first close the bottom and then the top flaps. Use a pencil to mark where you'd like to place the magnet, considering the thickness of the closed waterfalls and the addition of photos. Adhere magnet, south pole facing up.

23. Let magnet adhesive fully dry. Then adhere remaining *Pumpkin Patch* paper. Allow adhesive to fully dry. Close the bottom and top flaps. Attach small acorn stickers and

adhere the chipboard tag with a trio of pumpkins.

24. Locate your second *Happy Harvest* (b-side) and cut a 6" x 7" piece. Remove floral border from leftover *Thanks & Giving* and trim to 7" long; adhere just the top and bottom sides to the far right of the paper to create a tuck spot. Remove pumpkin stamp and 4 1/4" x 5 7/8" "Every leaf" from leftover *Autumn Greetings*. Score at 1/4"

from the left vertically; adhere just the scored section. Adhere stamp and fox tag; attach small flower sticker.

25. Take leftover *Autumn Greetings* (b-side) from step 9 and cut a 4 1/2" x 6 1/2". Make a mark on the left side, 1" from the bottom. Make another mark on the top edge, 7/8" from the right. Draw a line connecting the dots; cut paper. Trim leftover pumpkin and orange vine border from step 12 to 4 1/2" and adhere. Then attach deer and small red leaf stickers; adhere "Autumn is a gentle reminder" chipboard tag.

26. Find the 5" x 7" side pocket. Remove the bottom 1/2" scored section, then adhere just the top, right, bottom, and lower left sides so the pocket is flush with the right side of the *Happy Harvest* paper. Remove 2 3/4" x 4 3/4" "Gather and be Grateful" from leftover *Autumn Greetings*; attach maroon arrow stickers to the front and back. Insert into pocket.

adhere the chipboard tag with a trio of pumpkins.

27. Take your second sheets of *Change is Beautiful* and *Fall Foliage* (b-side) and cut two 6 1/4" x 12"; trim both into two 6 1/4" x 4 1/4". Score *Change is Beautiful* papers 1/4" vertically from the right. Remove 6 1/4" x 4 1/4" "Autumn Greetings" and "Autumn Leaves" from leftover *Autumn Greetings*; score these papers 1/4"

vertically from the left. Adhere chipboard tags.

28. Take leftover *Fall Foliage* (b-side) and cut a 4 1/4" x 6 1/4". Remove 6" x 4" "Autumn ... the year's last" from leftover *Gather and be Grateful*. Center

and adhere *Gather and be Grateful* paper over one of the *Fall Foliage* (b-side) papers. Adhere chipboard tag. Then locate the following cardstock stickers; these will go underneath the horizontal waterfall flaps.

29. On the bottom of the album's right inside cover, make a mark that is directly in the center, about  $3\frac{5}{8}$ ". Cut a  $1\frac{1}{4}$ " x 6" closure flap from leftover step 20 kraft pocket paper; score at  $1\frac{1}{2}$ " from the top horizontally. From leftover *Pumpkin Patch* cut two  $1\frac{1}{8}$ " x  $4\frac{3}{8}$ "; adhere to the flap, ensuring one side has the b-side face up similar to the other closure flaps. Center and adhere the horizontal waterfall on top.

30. The "Autumn ... the year's best" photo mat will go on the top waterfall page and also act as a hidden tuck spot for the flap closure. Place adhesive under the paper only to the left of the chipboard tag and to the right; attach to waterfall.

Adhere the other papers in this order: *Change is Beautiful*, *Autumn Greetings*, *Fall Foliage* (b-side); repeat. Insert closure flap; attach brown circle sticker.

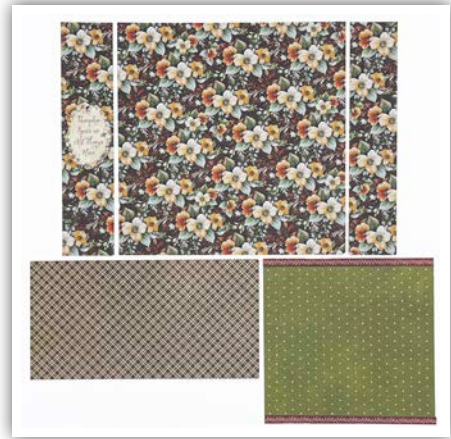

31. Take the 6" x 7" side pocket and adhere the page flap to the right inside spine so that the score line is  $\frac{5}{8}$ " to the left of the horizontal waterfall section.

32. Repeat step 31 for the middle pocket, which will be adhered to the left spine.

33. Take *Cozy Up!* and cut a  $12$ " x  $7\frac{3}{8}$ " piece; trim into a  $7\frac{1}{4}$ " x  $7\frac{3}{8}$ ", one  $1\frac{5}{8}$ " x  $7\frac{3}{8}$ ", and one  $1\frac{1}{2}$ " x  $7\frac{3}{8}$ ". Adhere "Pumpkin Spice" tag to the  $1\frac{5}{8}$ " wide piece. Flip leftover paper to the b-side and cut one  $7\frac{1}{4}$ " x  $3\frac{3}{4}$ ".

Find leftover *Autumn Greetings* (b-side) and cut a  $5\frac{3}{8}$ " x  $5\frac{1}{4}$ ". Trim maroon leaf border from *Thanks & Giving* into two  $5\frac{3}{8}$ " borders; adhere to green paper.

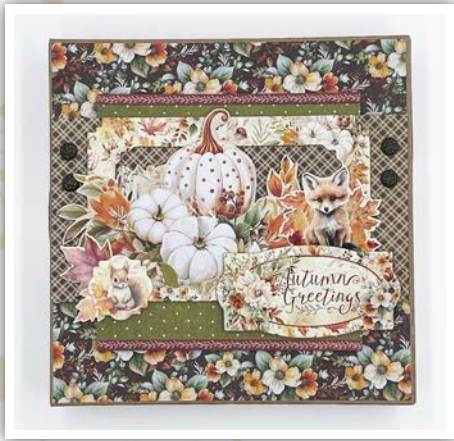

34. Take leftover *Pumpkin Patch* and fussy cut a trio of pumpkins with flowers. Locate the following cardstock stickers and large white

floral chipboard frame and "Autumn Greetings" tag. Then pick out four stamped metal brads of your choice.

x 3 $\frac{3}{4}$ " *Cozy Up!* (b-side) and attach brads; adhere on top of green paper. Adhere chipboard frame and fussy cut pumpkins. Attach cardstock stickers, then adhere chipboard tag.

35. Center and adhere 1  $\frac{5}{8}$ " wide *Cozy Up!* to the left outside spine; adhere remaining *Cozy Up!* papers to the cover and right outside spine. Attach green paper with foam adhesive. Punch four holes onto 7 $\frac{1}{4}$ "

36. Find your second sheet of *Cozy Up!* and cut a 12" x 7 $\frac{3}{8}$ " piece; trim to 7 $\frac{1}{4}$ " x 7 $\frac{3}{8}$ ". Center and adhere to the back cover. Optional: Use leftover paper to cover the kraft-exposed areas on the inside spines and waterfall edges. Approximate measurements for the left and right inside spines: two 1" x 7 $\frac{1}{4}$ " two  $\frac{1}{2}$ " x 7 $\frac{1}{4}$ "; waterfall edges: four  $\frac{1}{4}$ " x 7 $\frac{1}{4}$ ".
